

Table 1: Average of fatty acids production in animals group control in comparison of group treatment (Fator P) during 365 days.

	Average		Difference	p Value
	Control	Fator P		
Acetate	54,351	61,590	13,319%	0.0001****
Propionate	12,124	13,911	14,735%	0.0003***
Butyrate	6,939	8,217	18,417%	0.0001***
Total Fatty Acids	75,265	87,065	15,265%	0.0001***
